EVERGREEN CANDLE

There is something about the rich smell of fresh pine filling a home that says "Holiday". Capture that feeling this season and into the New Year with Flare's woody and clean evergreen.

RED HOT CANDLE

The spice of the holidays gets a chic and alluring makeover with Flare's Red Hot. The decadent combination of cinnamon and blood oranges means that though it may be cold outside it is heating up indoors.

FIRESIDE CANDLE

Chestnuts roast on it, stockings are hung near it and this year, you celebrate its iconic holiday presence with Flare's amazing Fireside inspired by burning embers. Positively warm and inviting!

SUGARCANE CANDLE

A sophisticated take on the holiday allure of "freshly baked treats", Flare's Sugarcane with caramelized turbinado sugar and a hint of vanilla bean will have everyone awaiting anxiously with eyes on the oven.

BUBBLY CANDLE

When you want the excitement of champagne without designating a driver, Flare's Bubbly is the perfect compromise. Effervescent and crisp, this most holiday of scents has celebration written all over it. Salute!
